NRCS Report- Deron will provide a hand out with NRCS accomplishments.

Conservation Plan Report –nothing to report.

Board of Supervisors Report- discussed drill and operator, we are having problems with our operator with time management, and Johnson feels that he is not doing enough acres an hour. Have problems with him staying focused on the task at hand. If it continues one of the supervisors would be willing to visit with him.

Financial Report-Motion by Bitterman and seconded by Rennich to pay bills totaling \$7,411.61. All approved.

Office Report-Trees confirmed are 11.72 acres, 27, 951' of fabric and 243 acres of grass seeding. We need to pickup trees from Big Sioux Nursery on April 23rd at 11:00 am. The Chevy truck seems to be working ok right now, haven't brought it in to get worked on. Johnson will go an Arbor Day presentation at Lawrence Elementary in Canton; she will hand out Redosier Dogwoods. We had 2 schools participate in the Arbor Day essay contest.

There will be an Area meeting on June 15th in Sioux Falls, Kingsbury is the host.

Our next board meeting will be May 19, 2015 at 6:00 pm.

The board entered in executive session for 30 minutes.

Motion by Dittberner and seconded by Rennich to adjourn the meeting. All approved.

Respectfully Submitted,

Lynda Johnson
